Dear Kay,

I want to thank you for thinking of the 100 Club of Arizona when you designed and purchased the "Thank You Blue" bands. Your generous donation of 1000 bands are being sold at \$3.00 each and they are going like wildfire! Your corporate membership and contribution of the bands are valued at \$3500. But, even more than the dollar value, your creation and donation have brought a lot of smiles and lifted morale among all public safety officers and firefighters who see so many wearing their band of support.

I am not only the executive director of the 100 Club. I am a beneficiary of the 100 Club and I know what your support and the support of the 100 Club means.

As the 100 Club continues to grow, the benefits to public safety families expand also. Thank you for helping us grow a greater awareness of the much needed support to Public Safety and the mission of the 100 Club.

I am excited you have also chosen the 100 Club to benefit from other sales of your bands. And, welcome to the membership of the 100 Club of Arizona, an organization who *stands behind the men and women who stand behind the badge.*

Sincerely,

Sharon Knutson-Felix  
Executive Director
